

Register for online account access

It's fast and easy!

Access the information you need

Your Lincoln Financial retirement plan website offers convenient and secure online access to your retirement account, making it easy to see at any time if you're on track for retirement. Access helpful tools, conduct transactions, learn about retirement planning, and more. In less time than it takes to fill up your gas tank, you can register to access your secure online retirement account information and be on your way to retirement readiness!

Five things that take more time than online registration:

Filling up your
gas tank

Picking up your
daily coffee

Deciding where
to eat

Checking today's
Instagram posts

Reading your
favorite blog

Follow these steps to get registered

1. Go to LincolnFinancial.com/Register and create a user name and password.
2. Log in using your new information and set up your security profile by selecting your personalized security image and three security questions.
3. Register a telephone number to enroll in mandatory two-factor authentication. We'll send a confirmation code to your phone via your chosen method — either a text message or a phone call.

During your next login, Lincoln will send a five-digit code to your phone via your preferred method. Enter the code into the website to complete your login.

You have the option to select "Remember this device." If you click this button, you won't be prompted for two-factor authentication on that device for 120 days.

What is two-factor authentication?

Two-factor authentication combines your username and password with an additional security factor to confirm your identity and keep your information secure. When you use two-factor authentication, a stolen password isn't enough for an unauthorized person to gain access to your sensitive data or our critical technology systems.

Each time you log in, you will be sent a new, temporary numeric code either by text or a phone call.

The screenshot shows the 'Registration' page for Lincoln Financial Group. It features a progress bar with three steps: '1. Identify verification' (active), '2. Login information', and '3. Security setup'. Below the progress bar, there is a prompt: 'Please enter the following information so we can locate your account.' The form includes input fields for 'Date of birth (mm/dd/yyyy)', 'SSN (xxx-xx-xxxx)' with an eye icon, and 'Primary residence ZIP code' with an information icon. There is also a checkbox for 'I'm not a robot' and a CAPTCHA logo. At the bottom, there are 'CONTINUE' and 'Cancel' buttons.

IMPORTANT:

Keep your username, password, and security answers in a safe place for easy reference on return visits to your online account.

A quick pit stop gets you on your way.

We're all pressed for time, but making a quick pit stop to register may help you hit the accelerator on your road to retirement. Take a step toward a positive future in less time than it takes to get gas.

Visit LincolnFinancial.com/Register to register your online account!

For help, contact our Web Support team at 800-648-6424, Monday through Friday, between 8:00 a.m. and 8:00 p.m. Eastern.
